911 Signs can be used in addition to pre-existing numbers to improve visibility and quicken response.

We kindly suggest a donation of $20 per sign. Proceeds go towards community events and outreach.

We will need to know if you’d like us to put it on a post or not. All signs are prepared vertically (like the pictures shown above) and double-sided unless you specify otherwise at the time of your order.

Contacting the Leland Volunteer Fire Department (LVFD) can be as easy as calling one of our Leland Township fire stations. Our firefighters there will be more than happy to answer any questions and get you directed to our friends at the LVFD.
