Vehicle Repair & Maintenance:

- Nothing major to report.

Fire Prevention/Community Risk Reduction:

- Toured new multi-use building under construction, on St. Joseph Street, in Lake Leelanau. Spoke with fire suppression rep reference the placement of the Fire Department Connection for the sprinkler system.
- Continued to assemble/sell 911 Street address signs (green reflective), shift walk-throughs in Fishtown, on-duty shift stopped by the Leland Wine & Food Fest and issued multiple burn permits for Leland Twp. residents.

Miscellaneous Things Involving Our Department:

- Working on repairing a damaged dry hydrant system on Chandler Street.
- Received a request for a 6 month leave of absence from a part-time/paid-on-call firefighter (work/personal). Request granted.
- Working on issuing new ID cards for our duty crew staff. We purchased a new system to do them in house.
- Trying to resolve our payroll system. The new system isn't delivering what we need, and we actually spend more time doing payroll.
